"There was a recent change made to our policy and we would currently decline credit card transactions to purchase cryptocurrency due to the limited mainstream acceptance and the elevated risks of fraud, loss, and volatility inherent in the cryptocurrency market."

"We will continues to closely monitor developments in cryptocurrency markets and exchanges and will regularly evaluate the decision as cryptocurrency markets evolve."

Capital One has started declining credit card transactions to purchase cryptocurrency due to the limited mainstream acceptance and the elevated risks of fraud, loss, and volatility inherent in the cryptocurrency market.
